## AGED EMPRESS STILL FINDS JOY IN LIFE

Eugenie, at Eighty-eight, Re-  
calls Thrilling History of  
Former Generations.

LONDON, Oct. 4.—Empress Eugenie  
has this year broken a custom of many  
years standing and, instead of boarding  
her yacht, the Thistle, for the Cowes re-  
gatta, and afterwards cruising in the  
Mediterranean, she has spent this sum-  
mer at her home, Farnborough Hill.

This change in plans caused a rumor  
that the ex-empress, who has enjoyed  
wonderful health, had commenced to fail,  
but this is denied and it is stated that  
Eugenie, who is now in her eighty-eighth  
year, has been out walking in the woods  
that surround her home, practically ev-  
ery day during the summer. Farnborough  
Hill, although situated within eight  
miles of the great military camp at Aldershot,  
is one of the quietest places in England,  
and the little community of exiles, which  
surrounds the ex-empress, lives sepa-  
rated among a forest of pines.

In the grounds are the tombs of Eu-  
genie's husband, Napoleon III, and her son,  
the prince imperial, who was killed while  
fighting for the British in Africa, the  
bodies having been transferred from  
Chislehurst, the ex-empress's former resi-  
dence in England, in 1888. The residence  
and museum adjoining contain many  
priceless relics, including the carriage  
used by the emperor and empress at their  
marriage, and the opening of Napoleon  
the Third's first parliament. Every-  
where are objects reminding one of the  
past history of this once powerful  
family.

The Benedictines, who look after the  
spiritual needs of the household and  
guard the tombs, have a church and pri-  
ory, and are now engaged in building an  
abbey.

## PREVENT ACTION ON HETCH HETCHY BILL

WASHINGTON, Oct. 4.—A filibuster  
prevented action in the senate today  
on the house bill granting the city of  
San Francisco the right to establish a  
water supply system in the Hetch  
Hetchy valley, Yosemite National park.  
Senator Littman of Nevada, leading the  
supporters of the bill, was unable to  
keep a quorum on hand and objections  
forced an adjournment after a debate  
of several hours. The bill will be  
taken up again Tuesday.

Senators Gronna, Borah and Poindexter  
delayed consideration of the meas-  
ure, objecting to many of its pro-  
visions. Senator Gronna declared the  
project would destroy the natural  
beauty of the valley and interfere with  
the water rights of irrigation farmers  
in the vicinity.

## ROAD CONGRESS ENDS WORK AND ADJOURNS

DETROIT, Oct. 4.—The third Ameri-  
can road congress was concluded here  
today with the reports of various offi-  
cers and committees, the presentation  
and adoption of a mass of resolutions  
with reference to the building and  
maintenance of good roads.  
It was decided to leave the selection  
of the next road congress city to the  
executive committee, which will inspect  
convention facilities of Atlanta, New  
Orleans, Denver and Peoria, Ill., before  
deciding. Los Angeles, San Francisco,  
Spokane, Ottawa and Toronto delega-  
tions have already invited the congress  
for 1915.

## LAMAR RELEASED ON HABEAS CORPUS WRIT

WASHINGTON, Oct. 4.—Chief Jus-  
tice Clabaugh of the district criminal  
court today issued a writ of habeas  
corpus for David H. Lamar, returnable  
next Friday noon, and released Lamar  
under \$2000 bonds, pending hearing on  
the writ.  
Lamar, under indictment in New  
York for impersonating a federal offi-  
cial, asserted that the indictments  
against him does not charge an offense  
against the United States, that there  
was not sufficient evidence presented  
to show him guilty, and that the New  
York authorities are without juris-  
diction. Lamar was under bond to appear  
in New York next Tuesday.

## DIES IN HOUSE IN WHICH SHE WAS BORN

ST. LOUIS, Oct. 4.—Miss Marie The-  
resa Gratiot, 73 years old, a niece of  
General Charles Gratiot, who built  
Portres Monroe, died here today in  
the house in which she was born. The  
house is situated on the tract of land  
deeded to Miss Gratiot's grandfather,  
who financed the Lewis and Clark ex-  
pedition to the northwest. Death was  
due to heart trouble.
